Book Synopsis

Do you want to have a full-time job working at the comforts of your own home but do not have any idea how it works? Do you want to spend more quality time with your family? Do you find traveling to work exhausting? If your answer to all these three questions is "yes," then this book is for you. This e-book will give you ideas on income-generating activities that will help you build income streams. This will also give you insights on how to have more money in your pocket by doing the things you are passionate about. Do you want to start an online business but do not know where to start? Do you want to be your own boss but have no clue what business to venture into? If you answered "yes" to these questions, then this book is for you, too. This e-book will give you ideas on businesses that do not demand a lot of monetary investment but work. This e-book will also provide a step by step guide on how to start your business. Whether you want to earn extra money on the side or replace your monthly paycheck altogether, you might just find the best strategy that will work for you.
